2004 Junior Varsity Soccer Summary

Congratulations to first year coach Rui Dos Santos and the entire Junior Varsity Soccer Team on a great season. According to Coach Rui the team steadily improved throughout the season. The team ended with a 12-3-6 overall record, averaged 3.3 goals per game, six shutouts and advanced to the quarter-final round of the BCSCA JV Boy's Soccer Tournament. Against NNJIL competition, the team won nine, lost 2, and tied five times defeating rival DBP 4-3.

"We started in the 90+ degrees of summer and now finish with the orange and yellow colored trees of the chilly fall a better team, one that may not have accomplished a championship, but can't be faulted for lack of effort. Your play was great and our results show it... as a team we were all able to accomplish many of the goals that were set out at the beginning of our season. Thank you for making it a great experience!" – Coach Rui Dos Santos

Jimmy Valvino said: "Don't give up, don't ever give up". According to first year coach Fabian Chong 'Those words were not only inspirational, but perfectly describe the Freshman Team's attitude. Every game, whether we had 3 subs or none, was played with intensity, determination, and passion. Our young men came into the season with timid caution, and we are leaving stronger, faster, and smarter. After two tough back to back losses, our team found their unity, scoring 4 goals in the next game's first half. That was the moment when we knew that the season would be one to remember. Every game, we got better, and strived for perfection. These young men are true Crusaders and have made my first season one I will never forget."
